Copy of letter No.F.34-12/54-GMF. dated 23rd December 1954 from the Under Secretary to the Govt, of India, Ministry of Food and Agriculture (Agri), Newdelhi.

Sub:- Loans to States for G.M.F.Schemes - Drawal of -

I am directed to invite a reference to this Ministry letter No. F.34-9/52-GMF.(S) dated the 19th November 1954 on the subject mentioned above in which the procedure for drawal of loans sanctioned for G.M.F. schemes has been laid down. It will be seen that the State Government are expected to draw their requirements upto the 31st March 1955 before the close of the current financial year, in quarterly instalments in advance.

2. The Government of India have so far approved loans to the extent of nearly Rs.27 crores to the various states in connection with their G.M.F. Schemes, but it has been observed that most of the State Govt. have not drawn a major portion of the loan approved for their schemes. Experience of the past few years is that demands for payment are rushed up towards the close of the year, particularly in the month of March. Aparat from resulting in unduly heavy pressure in this Ministry and more particularly in the office of the A.G.C.R. at the last moment, with possibilities of errors, this practice makes it difficult to estimate possible surrenders in time for purposes of reappropriation by the Central Government and also leaves room for non-payment.

3. In order to avoid such a situation this year, it is requested that the State Governments may kindly approach this Ministry for drawal of loans sufficiently in advance of the close of the year and in any case not later than the 15th February 1955, indicating clearly the terms of the payment of the loans unless this has already been done earlier. No authorisation for payment of the loan will be issued unless the terms of repayment is intimated in advance.

4. It is accordingly requested that the State Government may kindly ensure that their requests for authorizations for payments of loans against approved schemes, reach this Ministry on or before the 15-2-55 positively. It may not be possible for the Government of India to consider any requests received after the above date and the responsibility for non-drawal of the loans in such cases will rest entirely with the State Governments.

5. The receipt of this letter may kindly be acknowledged.

Memo No.AF.8838. Bangalore, dated 13th Janr.55.

Copy of the above is forwarded to the Commissioner for Food Production in Mysore, Bangalore for information and necessary action.
